08/24/2020	Sergeant Robert Miner	Overview: This complaint is concerning the lack of action taken by Officer Kilroy on incident 20-15531. The complainant if

stating Officer Kilroy failed to act on her report of a Domestic Violence and a sex offense with a child victim, which is a violation of department policy and state law. It should be known that the Investigations Unit is currently investigating both. The Domestic violence under Case number 20-15531 and the sex offense under case number 20-16042. Also, both of these cases were still under investigation upon the writing of this narrative. Both cases may be added later once completed. For further info, Corporal Wells' incident number is 20-16032 from the initial complaint.

Narrative:

On 8-19-20, I was contacted by Corporal Wells asking if I was aware of a CPS intake of a sex offense concerning incident number 20-15531. I checked my files and confirmed that I had not received one from CPS. Corporal Wells returned to me later stating he had found the CPS complaint for it was sent to another agency by error. CPS has corrected this and forwarded the intake to LSPD. Corporal Wells also stated that the complainant, Donna Lemmon wished to file a complaint against the younger officer (Officer Kilroy) for failing to take action. Wells also said Donna Lemmon would be sending over a statement. I informed Corporal Wells that I would handle the initial complaint paperwork and forward it in Blue Team.

I called and spoke with Complainant

Donna Lemmon on the phone. It should be noted that this conversation was recorded with her knowledge and consent. It should also be noted that this narrative is a summary of our conversation and to refer to the full recording for the exact conversation. Donna resided with her son Jesse Lemmon and her daughter-in-law Cailin Sullivan. Also in the home is her two grandsons Trey and Cain.

They are having constant issues with Trey, who's autistic. The day before the officers were there, 8-10-20, Donna had discipline issues with Trey. So she sent him upstairs to his mother. Cailin came downstairs yelling at Donna saying everything was her fault and to get out of her house. Donna said things became physical when Cailin pushed her out the slider and onto the porch rails. She said Cailin had her hands around her neck squeezing, but she did not feel her breathing was restricted. Cailin finally let her go and went upstairs. Donna said she did not have any marks on her as of today, but the squeezing hurt.

Donna said she talked to her son, Jesse about this and he only told her that she really didn't hurt her. Jesse then told her that she needed to move out as well via phone and texts. This continued into the next day when Jesse was home. They argued about Donna moving out to the point where both were threatening to call the police, to which Donna finally did. Donna said that two officers arrived.

She only described them as the older and the younger ones. Donnas said Officer Rutherford first spoke with them and was nice. When Officer Kilroy arrived, she was separated from Jesse. Officer Rutherford spoke with Jesse out front of the home and she spoke with Officer Kilroy on the back porch.

After explaining everything to Officer Kilroy, she stated she wanted to press charges against Cailin for assaulting her the previous day. She was told that was not going to happen, for she should have reported it the day before when it occurred. She was told that maybe she should leave, but she told Officer Kilroy she couldn't because she had to take care of the grandkids. She is worried that Juvenil has been molesting Child Victim of sexual Assault

She said Officer Kilroy told her that they did not deal with that and for her to call CPS and report it. Donna said she talked to Officer Kilroy at least two times, but believes it was three, about him doing something about the molestation Child Victim of by Juvenile She said Officer Kilroy repeatedly told her that they don't do that, and she is to call CPS to report the molestation. She remembers telling Officer Kilroy that she thought she could report it to him, and he would only say call CPS. I asked her how many times did she attempt to get the officer to do something about the CPS and she said about 3 times. Donna said she told him that she felt he was just attacking her and he said he was not, just telling her to call CPS. Donna

said the next day she called the kid's primary physician and explained the whole situation to her. This would be Dr. Naomie Katch at 425-339-5459. Dr. Katch then called CPS and made a report for her. I informed Donna that I have assigned both the sexual assault and the domestic violence to be investigated.

I attached Donna Lemmon's written statement, the audio interview and all the incident details to this report. I will forward this to Commander Beazizo for an administrative review and further disposition.

On 09/16/2020 I spoke with Officer Kilroy about the call at Ms. Lemmon's residence on 08/11/2020. Officer Kilroy stated the when he spoke to Ms. Lemmon she made no mention whatsoever about a domestic violence incident the prior day. Officer Kilroy said that Ms. Lemmon was highly intoxicated and needed to be seated in order to maintain balance while he spoke to her that night.

I asked Officer Kilroy if Ms. Lemmon had spoken to him or tried to report her belief that some sort of inappropriate sexual conduct between Juvenile Offender and Child Victim of Officer Kilroy stated that Ms. Lemmon did mention it and said she was upset about the incident and already reported it. Officer Kilroy said Ms. Lemmon said CPS was already involved and investigating an incident between the boys. Officer Kilroy said Cailin confirmed that CPS was working with the family. Officer Kilroy said he believed that the incident Ms. Lemmon spoke of was already reported since she said CPS was "investigating" the incident. Officer Kilroy said Ms. Lemmon only mentioned the suspected incident between Juvenile Offender and Child Victim of and the CPS involvement but did not want to report it to him.

Additionally, I had spoken to Officer Rutherford who confirmed he heard no mention of a previous DV from the day before. Officer Rutherford also confirmed that Ms. Lemmon did not try to report a sexual assault complaint

10/13/2020	Sergeant Robert Miner	8-26-20: While investigating the domestic violence case from this, I spoke with Jesse Lemmon. Jesse is the son of Donna, the complainant. He is also the live-in boyfriend of Cailin Sullivan. While speaking with Jesse about the alleged assault between Cailin and his mother, I asked him what his mother had told him concerning the assault. His mother told him that Cailin and pushed her over the back-porch railing and onto the ground. I explained that is not what his mother told me. I explained she stated Cailin pushed her up against the railing and was choking her, but it did not restrict her breathing. Jesse then told me I had just told him exactly what the officer had stated his mom told him. I asked what officer told me this and he said it was the younger one, referring to Officer Kilroy. I confirmed that Officer Kilroy told Jesse that his mother said Cailin pushed her up against the railing and choked her he said yes. He did state his memory was not the greatest, so he does not know the exact words that were used

NARRATIVE

Officer J. Kilroy #132
Lake Stevens Police Department

Case Number: 2020-15531/2020-16042
Incident Location: 1116 117th Dr SE, LKS
Incident Type: Verbal DV

I, Ofc. J. Kilroy, am a fully commissioned police officer assigned to the patrol division with the Lake Stevens Police Department located in the City of the Lake Stevens, County of Snohomish, State of Washington.

Narrative:

On 8/11/20 at approximately 1946 hours I was dispatched with officer Rutherford to 1116 117th Dr SE for a verbal DV. Dispatch informed us that the parties were separated. Upon arrival, we spoke with the reporting party Donna Lemmon. We asked if there was anyone else in the house and she said no. She said her son had left. While she was talking to us and walking to the back of the house she was almost whispering. I could clearly smell alcohol on her breath as she spoke to us. Donna led us out the back door to the porch which was very small. As she tried to explain what happened she kept changing positions from sitting to standing as she spoke. She seemed very upset. She had watery eyes Officer Rutherford asked her what was wrong. Donna then said she was not on good terms with her son or his girlfriend.

When we asked if it had gotten physical, she said no. She said that she had been arguing with her son and then the girlfriend stepped in near the back porch and got in her face. I asked her if she had any marks on her from the argument and she said no. She moved her hands and arms around to show me that there were no marks on her. She lifted her hair to show me her cheeks and chin area and there were no marks there either. Donna kept repeating herself saying that she didn't want to get kicked out of the house and that she did not have anywhere else to go.

We then asked her what the argument was over. She said her son wanted her out of the house. She said he had threatened to call the police to have her removed. Officer Rutherford and I reassured her that we were not going to force her to leave. I also told her that she could leave if she did not feel safe. She said she was fine just upset at her son and his girlfriend. She also said that her grand kids have not been listening to her and yelling at her too.

The son Jesse Lemmon then arrived, and officer Rutherford went to talk with him. Donna then told me that the other reason she was upset was due to the CPS issue that was going on. She said she had already reported to the authorities that she believed her older grand kid was molesting the younger one. She went on to say that she had not seen anything but believed it happened.

I asked her again if she had reported this and she said yes. She said there was an ongoing case regarding the issue. She then asked me what further she could do about it. I told her if there was already an open case on it then let the authorities handle it.

This report was submitted from an electronic device owned, issued, or maintained by a law enforcement agency using my user ID and password. I certify or declare under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct.

NARRATIVE (continuation)

Donna still seemed frustrated and wanted to explain the situation again. I then told her I was going to talk with my other officer and her son Jesse. I asked Jesse if there was an open CPS case, and he said yes. He said he was done with his mother telling lies and wanted her to leave his house. I asked him if his girlfriend had hit his mom, and he said no. He said they just yell at each other.

With the information we had, there did not appear to be a crime.

 DV SCREEN: REF has no knowledge of DV concerns.
 COVID-19 SCREEN: None per REF's knowledge.
 ICW SCREEN: None per REF's knowledge.

 Household:
 Mother: Calin
 Father: Jesse
 Paternal Grandmother: Donna
 Biological child: Cain (3)
 Adopted child: Trey (10)

Aug. 18. 2020.. 2:41PM.....DCYF Monroe No. 1382. P. 2

Referrer (REF) is a pediatrician at the Everett Clinic, Naomi (425-339-5459).

Per REF Trey has been diagnosed with both ADHD and Autism Spectrum DO and has behavioral issues. REF has a little bit of a history with the family mostly with concerns regarding Trey's ADHD medication. REF last saw Trey through a video visit in June 2020 for his ADHD medication where his mother was present. She voiced concerns about him playing rough with his younger brother and not wanting to do chores or homework. REF strongly encouraged the mother to get the child back into mental health services but stated these behaviors didn't seem too out of the norm given everything going on with COVID-19 pandemic.

Yesterday the paternal Grandmother, Donna Lemmon (425-308-2974), who resides in the home called and talked and spoke with their RN and gave a lengthy description of concerns and asked that their clinic call and notify CPS. REF stated this is the note that their RN wrote up:

"Pt's Grandma, Donna called to report physical and sexual abuse committed by Trey. She is asking Dr Katsh to report her statements to CPS

Telephone call with Grandma, Donna

Grandma is calling with concerns re: the violent household she lives in

Donna lives with her son, Jesse and his girlfriend, Cailin

Jesse and Cailin have a son, Kain, who is 3 years old

Jesse and Cailin have also adopted a boy, Trey (Cailin's nephew) who is almost 11 yrs old.

Trey is autistic, has ADHD, learning disabilities and behavior problems.

Donna states Trey is out of control. He is very physically violent and has also been sexually aggressive.

Donna states at the moment she is most concerned for Kain whom Trey is traumatizing

A short while ago, Donna and her sister heard Trey yelling at Kain to "Do this" while they were in Trey's bedroom. Donna's sister found both boys with their pants down

Recently Kain has been sticking his finger inside his rectum and stating, "Owie"

Donna has seen Trey wiggle his naked bottom in Kain's face many times

Several years ago, Trey and a girl around his age were in his room and Donna heard Trey say, "Lay down, so I can rape you and get it over with."

A few years ago, Trey and a girl were found naked in some bushes

Cailin has friends with female children who come over and Trey is always laying on top of them

Trey has been around Cailin's nephew who is a sex offender

Physical abuse committed by Trey towards Kain:

Trey has run Kain over with his bike

Once Trey bit Kain on the cheek and the bruise lasted for 2 weeks

Trey constantly hits, kicks and knocks Kain down

Physical abuse committed by Trey against his grandmother, Donna:

2 days ago, Trey shot his grandmother in the eye with a gun that shoots rubber balls, then kicked her when she was holding her eye and screamed obscenities at her

He has tried to trip her when she is going up or down the stairs

(Trey has witnessed his mother, Cailin abuse Donna many times)

Trey is known for hurting students at school and neighbor kids

Per Donna, Trey and Kain are neglected by their parents

Cailin is drunk most of the time

Jesse works and has been addicted to drugs

Trey does not take a shower or brush his teeth

Trey plays X-box all day

Trey has not done any school work since march

Kain plays out in the street alone. His Mom states she can look out the window and see him

Both boys eat snacks all day, unless Donna prepares them a meal

Donna is requesting this information be reviewed by Dr Katsh

She is hoping Dr Katsh will call CPS

Donna is extremely distraught

She has not been able to take care of herself

She is not safe in the home. However, she will not leave as she feels she must protect Kain

Advised Donna to call CPS and to encourage her sister and anyone else who has witnessed abuse call CPS

Aug. 18. 2020 2:41PM DCYF Monroe No. 1382 P. 3

Recommended she call her own physician and perhaps find counseling or a support group for herself
 Advised it's important for her to stay safe so that she is able to watch out for Kain
 She states she has a friend spending the night tonight. I encouraged her to have a friend stay with her as much as possible
 Told Donna I would forward this information to Dr Katsh and Dr aktsh may also give her a call
 She understands Dr Katsh will not be in the office until tomorrow."

REF had no further information or details regarding the concerns or the people involved.

NARRATIVE

C. Wells / #131 Lake Stevens Police Department

Case Number: 2020-15531
 associated LSPD #2020-16032
 Incident Location: 1116 117th Dr SE, LKS
 Incident Type: Assault - DV

On 8/18/20 at approximately 1234 I, C. Wells #131, was working as a general commissioned uniformed police corporal for the City of Lake Stevens police department driving a marked police vehicle equipped with emergency lights and siren.

Summary:

Donna Lemmon reported she had been assaulted by her live-in adult daughter-in-law, Cailin Sullivan, on 8/11/20. She claimed to have reported this to a LSPD Officer on 8/12/20 and no report was taken.

Narrative:

On 8/18/20 at about 1234 I responded to a follow up phone request (LSPD incident 2020-16032)

I called the reporting party, Cathy Hammond, who in turn handed the phone to a female who identified herself as Donna Lemmon.

Donna told me she lived at the 1116 117th Dr SE address and has for about six (6) years with her adult son - Jesse Dean Lemmon, his adult girlfriend - Cailin D Sullivan, an adopted 11 year old son - Trey Lemmon, and a 3 year old son - Kain Dean Lemmon.

Donna told me that she had called 911 on the 12th because her adult son was harassing her over numerous family issues. She told me that two LSPD officers responded for the disturbance. She told me she had been interviewed by a younger, tall, good looking officer with dark colored hair about the disturbance. She claimed when she told him that she had been assaulted by Cailin the night before he told her he wasn't there for that.

Donna continued my telling me there was an argument over how Kain had been behaving and Cailin got "...really mad..." Donna told me Cailin attacked her by hitting and shoving her out onto a porch where she pinned her against a railing and choked her.

Donna told me that the Officer told her that while she didn't have to leave the residence, they suggested she do so to help calm down the situation.

Donna told me that she refused to do that. She then claimed she told the Officer that she was refusing to leave the residence because the 11-year-old, Trey, was molesting the 3-year-old, Kain.

Donna claimed the Officer told her something to the effect of: 'We're not here for that. Call CPS.'

Later in our conversation Donna, when asked, told me she didn't have any marks, bruises or injuries from the

previous assault by Cailin.

Donna told me her twin sister, Denise Whitford, might have photographs of being beat up by Cailin about 1 ½ years ago but she wasn't sure where they were. She said she would try to find them.

I asked her why she didn't report the assault when it occurred. Donna told me she didn't want family to get into trouble.

I asked her why she was now reporting the assault eight days later, she told me she is really upset because she had moved out and had to leave the 3-year-old at the house with the 11-year-old and in the care of Cailin who wouldn't protect him.

I told Donna that we would come back to that subject and I would like to focus on information about the assault.

Donna agreed. She continued by telling me that she and Cailin don't get along and that she has done similar assaults in the past that she hadn't reported because she didn't want family to get into trouble. Donna told me that her friend, Cathy, was providing support and strength and that was why she was reporting the assault now.

Donna told me that Cailin had struck her and pushed out onto a patio where she pinned her against the railing and began to choke her. I asked Donna if Cailin choking her had interfered with her breathing. Donna told me no because she was able to knock her hands off her throat. I asked her if she had taken any pictures of possible injuries or areas that she had been hit or choked – then or since then. Donna told me she hadn't.

I asked Donna if she was willing to provide a written statement about the assault. She agreed but told me she wasn't available to today as she is disabled, and she needed to call her Doctor to get something for her nerves. Donna agreed to type out her statement and would turn it in the next day (8/19/20)

I advised her I would be off duty but would make arrangement for an Officer to review it and then forward it to me. I provided her with the LSPD case number for the alleged assault on 8/11/20 as well as the incident number for this follow up: 2020-16032

Once her questions concerning the assault were addressed, I then asked her to tell me about what the possible molestation she mentioned earlier.

That narrative will be continued in LSPD # 2020-16032 Case supplemental narrative.

Reference LSPD case #2020-16032.

I contacted LSPD Detective Sgt. Miner and Sgt. Summers advised them of this incident and Donna's allegations.

On 8/18/20 at approximately 1234 I, C. Wells #131, was working as a general commissioned uniformed police corporal for the City of Lake Stevens police department driving a marked police vehicle equipped with emergency lights and siren.

Summary:

Donna Lemmon was involved in a domestic Disturbance that was responded to by the LSPD. She claimed to have reported a 3-year-old was being molested by an 11-year-old, both of whom live in the home.

She claimed the LSPD Officer told her to report it to CPS and no action or report was taken.

		Case Report # 2020-00015531

NARRATIVE (continuation)

Donna claimed the Officer told her something to the effect of: 'We're not here for that. Call CPS.' I contacted LSPD Detective Sgt. Miner and Sgt. Summers advised them of this incident and Donna's allegations.

Donna told me that her twin sister, Denise Whitford, had caught the boys about a month ago in Trey's bedroom with their pants and underwear down. Donna told that there was another incident about 2 months prior where the 11-year-old Trey had pulled the 3-year-old's underpants down and he was bending over. Donna told me she confronted Trey then. She told me that Trey had told her that he was just changing the baby's diapers.

Donna claimed she told her son, Jesse, about that incident and he called her a liar and that he began telling her she needed to move out.

Donna told me Cailin has a 'friendship' relationship with Trey and not a mom/son relationship. She claimed Cailin doesn't have anything to do with Kain and that Donna was the primary care giver.

Donna told me that when the LSPD Officer told her to call CPS she decided to call Dr. Naomi Katch – Dr. for both boys. Donna told me she talked with a substitute Doctor, but she couldn't remember the Doctor's name. Donna told me she was on the phone with the Doctors office for about 1 ½ hour. Donna told me that she was told by the Doctor's office that she didn't need to call CPS as they would be filling a report on her behalf.

Donna told me her sister, Denise, would have more information and she agreed to have her call me as soon as possible.

Donna agreed to provide a written statement, but she couldn't do so as she was disabled and needed to call her own Doctor to get something to calm her nerves. She told me she would provide a statement in the early morning on Wednesday.

I contacted LSPD Detective Sgt Miner to find out if he had received and/or assigned a CPS report regarding this event within the last few days. Sgt. Miner completed a diligent search and couldn't find any reference in his database.

To ensure the molestation allegation had been forwarded to CPS I called the CPS law enforcement line and spoke with CPS Intake social worker Raquel Styles. I provided her with the information I had. After a few minutes she told me she couldn't find any case involving the people in my call. I thanked her and hung up.

At about this time I was dispatched to a follow up request by Denise Whitford. I called her back at 425.244.8224. She told me she was at the residence when she heard the boys laughing in Trey's bedroom. She told me she snuck to the bedroom door and heard Trey say something to the effect of 'now its your turn.'

She told me she quickly opened the door to see Kain, the 3-year-old, standing in front of Trey who was laying down on the bed. She told me Kain had his pants and underwear down with his penis about a foot in front of Trey's face.

Denise continued by telling me she knew about another incident about 2 months prior where Trey had Kain bent over with Kain's pants down.

NARRATIVE (continuation)

Denise agreed to provide a written statement regarding these events when contacted by a Detective.

As I was trying to determine the next step, I was dispatched to call CPS Intake Raquel back.

I called her back and she advised me she had dug deeper and was able to locate an active and open case involving Cailin D. Sullivan, as I had provided her with an incorrect spelling of the name.

Raquel provided me the current CPS social worker, Raena Lorio, out of the Monroe CPS office and her phone number, 425.595.3594. She provided the current CPS case #1819670.

I called Raena who told me she had mistakenly sent the CPS referral to the Sheriff's office. She told me she had already interviewed Jesse, Cailin, Trey and Kain. She told me Kain, the 3-year-old, was amazingly verbal. When asked, she denied talking with Donna Lemmon or Denise Whitford. She told me she had planned to close the complaint.

I asked her to forward the referral as soon as possible to the LSPD as the address is in Lake Steven's jurisdiction. She agreed to do so.

I told Sgt. Miner of the above and that a CPS referral would be faxed shortly. Once the CPS referral arrived via fax I had it forwarded immediately to Sgt. Miner.

Officer: R. Rutherford #130
Case number: 2019-00015531

Complaint:

On the date and time of this incident, I was a fully commissioned Police Officer in the State of Washington. I was wearing a Lake Stevens issued uniform with Police markings. I was driving a Ford SUV patrol vehicle with full emergency equipment and Police markings.

NARRATIVE:

On 08/11/2020 at about 1946 hours, Officer Kilroy and I responded to 1116 117th Drive SE for a verbal domestic incident. Upon arrival, I contacted Donna Lemmon reference her complaint that her son, Jesse Lemmon was threatening her. Jesse's threat to Lemmon was that he was tired of her lies and that he was threatening to have her removed from the house. Lemmon stated that Jesse and she were separated, and that Jesse was upstairs. Upon arrival, Jesse was not at the home.

I spoke with Donna outside. During the conversation, Donna said nothing about Cailin Sullivan assaulting her the previous day.

She did talk about her son Jesse, Cailin and the children and how Jesse and Cailin are drug users and how the 10-year-old boy Trey has behavioral issues and can be violent towards her, his 3-year-old brother, and he acts out.

There was no crime at the home, Cailin was not there and both boys were with other family members.

Narrative

I, Sergeant Miner, am a fully commissioned police officer assigned to the Investigations Unit of the Lake Stevens Police Department, located in Snohomish County; State of Washington.

Due to an officer complaint, I was assigned to investigate a potential domestic violence incident. This incident occurred on 8-10-20 between the Victim Donna Lemmon and her daughter-in-law Cailin Sullivan. At the time of the incident, Donna Lemmon resided in the home with her son, Jesse Lemmon, daughter-in-law, and her two grandchildren. Also, as a result of the complaint, a sex assault case was also started 20-16042.

On, 8-19-20, I called and spoke with Complainant Donna Lemmon on the phone. It should be noted that this conversation was recorded with her knowledge and consent. It should also be noted that this narrative is a summary of our conversation and to refer to the full recording for the exact conversation. Donna resided with her son Jesse Lemmon and her daughter-in-law Cailin Sullivan. Also, in the home is her two grandsons Trey and Cain.

They are having constant issues with Trey, who's autistic. The day before the officers were there, 8-10-20, Donna had discipline issues with Trey. So, she sent him upstairs to his mother. Sullivan came downstairs yelling at Donna saying everything was her fault and to get out of her house. Donna said things became physical when Sullivan pushed her out the slider and onto the porch rails. She said Sullivan had her hands around her neck squeezing, but she did not feel her breathing was restricted. Sullivan finally let her go and went upstairs. Donna said she did not have any marks on her as of today, but the squeezing hurt.

Donna said she talked to her son, Jesse about this and he only told her that she really didn't hurt her. Jesse then told her that she needed to move out as well via phone and texts. This continued into the next day when Jesse was home. They argued about Donna moving out to the point where both were threatening to call the police, to which Donna finally did.

On 8-25-20, I attempted to contact Sullivan and Jesse Lemmon several times with no luck. I left voice messages asking them to contact me.

On 8-26-20, I attempted to call both Sullivan and Jesse again, once again leaving voice messages. I did finally get ahold of Jesse. He told me he had received my messages but had not got around to calling me back yet.

I informed him of the details as to how we received this case. I explained that I am currently investigating the domestic violence assault that occurred between Sullivan and his mom Donna on the 10th of August. Jesse informed me that he had not witnessed the event but was told about from both his mother and Sullivan.

Jesse said his mother told him that on the 10th, Sullivan has assaulted her. She said after having a child issue, Sullivan came downstairs and was telling Donna to leave. Donna told him that Sullivan had pushed her out the door onto the porch, up against the railing, and then off the porch. I explained that is not what Donna had told me. I told him that I was told Sullivan pushed her onto the porch and then up against the railing. While against the railing, Sullivan was squeezing her neck (not restricting her breathing). He informed me that is what the officer told him the claim was. I asked which officer and what they had said. Jesse said it was the younger officer and he told him that Donna said the same thing occurred that I had stated. I asked what Sullivan and told him about the incident and he said she stated that she did not touch Donna, but they were arguing.

Jesse said that Donna was calling and texting back and forth with him since that incident happened. He was talking to her about maybe moving out of the house. This went on into the next day, the 11th. When he was at home on the 11th, he was talking with his mother about moving out and things got a little heated. He said Donna was threatening to call the police, he said he would. Eventually, Donna called the police and Officers Kilroy and Rutherford arrived. He said Sullivan was not at home when the police were there. He said the situation calmed down and the police left.

I explained the reporting standards for domestic violence incidents. I also explained that I have been trying to get ahold of Sullivan with no luck. I confirmed her phone numbers and he said he would let her know to call me. I thanked him for his time.

8-31-20, I had not heard from Sullivan yet, so I made a couple of calls to her and left a voice message. A short time later, Sullivan returned my call. She apologized for not returning my calls sooner. I thanked her for calling me and explained the reason for my call. She was under the impression that I wanted to talk about the sex assault allegations with her children (20-16042). I explained that Det. Warbis was handling that investigation and would be contacting her soon with the CPS social worker. I explained I wanted to talk about the incident that occurred on the 10th between Donna and herself. I explained the reporting and investigation requirements of domestic violence and why I was investigating now. I informed her of the claims being made by Donna, and she stated she was aware of what the claim is.

I asked Sullivan to explain to me what happened on the 10th between her and Donna. She said that while she was upstairs in her room, Donna was having issues with her grandson, Trey. Eventually Trey was told by Donna to go talk to her mother and came upstairs upset. Sullivan said downstairs to talk with Donna, but things became heated. She said anytime Donna gets involved with the

kids, everything becomes very dramatic. Sullivan said that they eventually got into an argument and their voices were raised. At some point, Donna had gone out onto the back porch and she followed her. Things got tense and Sullivan said she was in Donna's face yelling at her telling her she needed to leave. At some point, Donna began yelling to stop touching her, even though she was not. They separated and things calmed down and she talked with Jesse about what happened. Sullivan said she did not touch, push, grab or choke Donna. I asked why Donna would yell to stop touching her and Sullivan said she had pushed Donna about 2 years ago. They were in an argument and Donna was in her face, so Sullivan pushed her back away from her. She reiterated that she did not touch Donna as she said she had. She admits to getting in her face, but that is it.

I thanked her for her time. Sullivan declined to fill out a statement form, stating she would not be putting anything in it that she has not already told me. She also stated that Jesse will not be filling out the statement form I sent him for the same reason. I informed Sullivan that I would be forwarding this to the city prosecutor's office for review per RCW and explained that process.

At this time, I do not have PC for arrest on Sullivan for Assault 4 DV. There are no injuries or marks on Donna. The only evidence we have on this incident is the statements of Donna and Sullivan. This case will be forwarded to the prosecutor's office for review.

Recommendation

This case is now closed and pending review by the prosecutor's office.

I CERTIFY UNDER PENALTY OF PERJURY UNDER THE LAWS OF THE STATE OF WASHINGTON THAT THE FOREGOING STATEMENT IS TRUE AND CORRECT, THAT I HAVE ISSUED THIS ON THE DATE AND AT THE LOCATION ABOVE, AND I AM ENTERING MY AUTHORIZED USER ID TO AUTHENTICATE IT.

Case: 2020-16042
Location: 1116 117th Dr. S.E.
Incident: CPS referral

I, Detective S. Warbis, am a fully commissioned Police Officer assigned as a detective, located in the city of Lake Stevens, county of Snohomish, State of Washington.

On 08/19/2020 at approximately 0814 hours, I received a CPS referral related to abuse reported by Donna Lemmon. Donna is the grandmother of the reported victim, Cain Lemmon, and the suspect, Trey Lemmon. Donna had lived with her son, Jesse Lemmon, and his girlfriend, Cailin Sullivan, until recently when she was removed from the house due to a reported assault that occurred between her and Cailin. Donna called CPS to report abuse that she reportedly witnessed while living at the house with her son's family. Donna reported to CPS multiple events that occurred between the two boys. The report was then forwarded to the Lake Stevens police department for investigation.

I contacted the CPS case worker, Raena Lorio, via telephone. Raena informed me that she has been working with this family and didn't have any reason to believe that anything out of the ordinary was going on. Raena also talked about how Donna had recently been removed from the house and felt that this may be her way of getting revenge. Raena told me she was planning on interviewing the kids the following week and invited me along. I was told that when the interview was set up, she would call with a date and time.

On 09/01/2020 at approximately 1100 hours, I arrived at the residence of the Lemmon family to sit in on Raena's interview of the two boys. The residence was a two-story home in a newer neighborhood. The house was clean and well cared for. Cailen met us at the door and invited us in. Trey and Cain were both in the living room, where they appeared to be playing with some toys on the floor. Raena asked if she would be able to use the living room for the interview and asked that the boys be interviewed one at a time. Cailen agreed and took Trey outside while she interviewed Cain. When Cain's interview was complete, she had Cain tell Trey that she was ready for him to come back inside, which he did.

The two boys were interviewed by Raena with no disclosure of any inappropriate touching or abuse at the hands of each other or the parents. Both boys were engaged in the interviews and appeared to understand the process and what was being asked of them.

Based on the lack of any disclosure during the interviews, I do not have any proof that a crime has been or is being committed related to this case. The family is being monitored by CPS and a safety plan has been established. This case is being closed in the files of this office and is for information purposes only.

No further.

I CERTIFY UNDER PENALTY OF PERJURY UNDER THE LAWS OF THE STATE OF WASHINGTON THAT THE FOREGOING STATEMENT IS TRUE AND CORRECT, THAT I HAVE ISSUED THIS ON THE DATE AND AT THE LOCATION ABOVE, AND I AM ENTERING MY AUTHORIZED USER ID AND PASSWORD TO .AUTHENTICATE IT.

Case #: 2020-16042

Incident: Sex Offense

Summary

Follow up to this case.

Narrative

I, Sergeant Miner, am a fully commissioned police officer assigned to the Investigations Unit of the Lake Stevens Police Department, located in Snohomish County; State of Washington.

On 8-18-20, I was informed by Corporal Wells of this incident. Through his involvement, he learned of a sex offense at the listed location. He also learned that we had not received the CPS intake on this incident. After doing so research, he learned the intake was accidentally sent to SCSO by CPS. He spoke with the social worker and was able to have the intake faxed to us. Also related to this case are LSPD incident numbers 20-15531 and 20-16032.

After reviewing the details, I learned that the allegations are towards Trey Lemmon, had sexually assaulted his 3-year-old brother, Cain Lemmon. Two witnesses to this are Denis Whitford and Donna Lemmon.

Recommendation

This case is active and assigned to Det. Warbis.

I CERTIFY UNDER PENALTY OF PERJURY UNDER THE LAWS OF THE STATE OF WASHINGTON THAT THE FOREGOING STATEMENT IS TRUE AND CORRECT, THAT I HAVE ISSUED THIS ON THE DATE AND AT THE LOCATION ABOVE, AND I AM ENTERING MY AUTHORIZED USER ID TO AUTHENTICATE IT.

Officer: R. Rutherford #130
Case number: 2019-00016042
Location: 1116 117th Drive SE.
Complaint:

On the date and time of this incident, I was a fully commissioned Police Officer in the State of Washington. I was wearing a Lake Stevens issued uniform with Police markings. I was driving a Ford SUV patrol vehicle with full emergency equipment and Police markings.

NARRATIVE:

On 08/11/2020 at about 1946 hours, Officer Kilroy and I responded to 1116 117th Drive SE for a verbal domestic incident. Upon arrival, I contacted Donna Lemmon reference her complaint that her son, Jesse Lemmon was threatening her. Lemmon stated that Jesse and she were separated, and that Jesse was upstairs. Upon arrival, Jesse was not at the home. I spoke with Donna outside due to dogs barking and being unable to hear Donna.

I asked Donna what was happening. Donna said that the house is violent with Trey having behavioral issues and he is physically abusing his 3-year-old brother Cain. I kept having to ask Donna to speak up because she was whispering. Donna was physically shaking, and I had to keep directing her focus to what we were talking about. My immediate observation was that Donna was either under the influence of something or has some mental health issues. Donna said that her son, Jesse had threatened her. I asked how he had threatened her. Donna said that Jesse said he would remove her from the house because she and Cailin don't get along.

Donna said that he and Jesse were arguing about their care of Trey and how Trey treats her and Cain. Donna did not say that Jesse made any threat of physical harm.

Trey, Cain and Cailin were not at home to contact during this incident. I advised Donna that if she had concerns that she can contact CPS and CPS could provide services for the family. Donna said that Cailin and Jesse both use drugs.

When referencing Trey picking on Cain, Donna went to Cain's room for the ruckus and Donna said that she found Trey and Cain in Cain's bedroom and both had their pants down. She did not see any physical contact and did not indicate that anything of a sexual nature was going on. I redirected Donna back to the incident involving the threat (DV) report.

While speaking with Donna, Jesse came back home. Jesse said that he saw PD driving toward his house and he returned to speak to us. I spoke with him in the driveway. I asked Jesse about the claims that Donna was making about Trey physically abusing Cain. Jesse said that Trey has behavioral issues to include ADHD, but he has not seen anything to indicate that Trey is physically or sexually abusing Cain. I asked if Trey was his biological child. Jesse said that he was his sister's child, but he adopted him due to his sister's drug use and CPS interventions.

I asked if Trey was on medication and he said he was not. I asked if Trey was in counselling and Jesse said he was not. I asked Jesse if Cain is left unattended in the street and he said he was not. Jesse said that Trey does have significant behavioral issues.

I asked about his relationship with Donna. Jesse said that the relationship is strained and that Cailin and Donna don't get along to the point that he is considering removing her from the home. I asked where Donna might be able to go. Jesse said that she has other family and friends she could stay with.

I then asked Jesse about Donna's mental health. I asked if Jesse ever thought that Donna might be in the early stages of dementia. Jesse said that he thinks it is possible and that he believes Donna makes up lies but that she believes the lies.

I asked Jesse if he or Cailin use drugs. Jesse said that Cailin was addicted to Oxy but has been clean for some time. Jesse said that he and Cailin have used drugs in the past but don't any longer. Jesse said that Cailin had to leave the home today because she and Donna don't get along.

There was no crime at the home, Cailin was not there and both boys were with other family members.

	Case Report # 2020-00016042	

NARRATIVE

Case: 2020-16042
 Location: 1116 117th Dr. S.E.
 Incident: CPS referral

I, Detective S. Warbis, am a fully commissioned Police Officer assigned as a detective, located in the city of Lake Stevens, county of Snohomish, State of Washington.

On 08/19/2020 at approximately 0814 hours, I received a CPS referral related to abuse reported by Donna Lemmon. Donna is the grandmother of the reported victim, Cain Lemmon, and the suspect, Trey Lemmon. Donna had lived with her son, Jesse Lemmon, and his girlfriend, Cailin Sullivan, until recently when she was removed from the house due to a reported assault that occurred between her and Cailin. Donna called CPS to report abuse that she reportedly witnessed while living at the house with her son's family. Donna reported to CPS multiple events that occurred between the two boys. The report was then forwarded to the Lake Stevens police department for investigation.

I contacted the CPS case worker, Raena Lorio, via telephone. Raena informed me that she has been working with this family and didn't have any reason to believe that anything out of the ordinary was going on. Raena also talked about how Donna had recently been removed from the house and felt that this may be her way of getting revenge. Raena told me she was planning on interviewing the kids the following week and invited me along. I was told that when the interview was set up, she would call with a date and time.

On 09/01/2020 at approximately 1100 hours, I arrived at the residence of the Lemmon family to sit in on Raena's interview of the two boys. The residence was a two-story home in a newer neighborhood. The house was clean and well cared for. Cailen met us at the door and invited us in. Trey and Cain were both in the living room, where they appeared to be playing with some toys on the floor. Raena asked if she would be able to use the living room for the interview and asked that the boys be interviewed one at a time. Cailen agreed and took Trey outside while she interviewed Cain. When Cain's interview was complete, she had Cain tell Trey that she was ready for him to come back inside, which he did.

The two boys were interviewed by Raena with no disclosure of any inappropriate touching or abuse at the hands of each other or the parents. Both boys were engaged in the interviews and appeared to understand the process and what was being asked of them.

Based on the lack of any disclosure during the interviews, I do not have any proof that a crime has been or is being committed related to this case. The family is being monitored by CPS and a safety plan has been established. This case is being closed in the files of this office and is for information purposes only.

No further.

NARRATIVE

Officer J. Kilroy #132 Lake Stevens Police Department

Case Number: 2020-15531/2020-16042
 Incident Location: 1116 117th Dr SE, LKS
 Incident Type: Verbal DV

I, Ofc. J. Kilroy, am a fully commissioned police officer assigned to the patrol division with the Lake Stevens Police Department located in the City of the Lake Stevens, County of Snohomish, State of Washington.

Narrative:

On 8/11/20 at approximately 1946 hours I was dispatched with officer Rutherford to 1116 117th Dr SE for a verbal DV. Dispatch informed us that the parties were separated. Upon arrival, we spoke with the reporting party Donna Lemmon. We asked if there was anyone else in the house and she said no. She said her son had left. While she was talking to us and walking to the back of the house she was almost whispering. I could clearly smell alcohol on her breath as she spoke to us. Donna led us out the back door to the porch which was very small. As she tried to explain what happened she kept changing positions from sitting to standing as she spoke. She seemed very upset. She had watery eyes Officer Rutherford asked her what was wrong. Donna then said she was not on good terms with her son or his girlfriend.

When we asked if it had gotten physical, she said no. She said that she had been arguing with her son and then the girlfriend stepped in near the back porch and got in her face. I asked her if she had any marks on her from the argument and she said no. She moved her hands and arms around to show me that there were no marks on her. She lifted her hair to show me her cheeks and chin area and there were no marks there either. Donna kept repeating herself saying that she didn't want to get kicked out of the house and that she did not have anywhere else to go.

We then asked her what the argument was over. She said her son wanted her out of the house. She said he had threatened to call the police to have her removed. Officer Rutherford and I reassured her that we were not going to force her to leave. I also told her that she could leave if she did not feel safe. She said she was fine just upset at her son and his girlfriend. She also said that her grand kids have not been listening to her and yelling at her too.

The son Jesse Lemmon then arrived, and officer Rutherford went to talk with him. Donna then told me that the other reason she was upset was due to the CPS issue that was going on. She said she had already reported to the authorities that she believed her older grand kid was molesting the younger one. She went on to say that she had not seen anything but believed it happened.

I asked her again if she had reported this and she said yes. She said there was an ongoing case regarding the issue. She then asked me what further she could do about it. I told her if there was already an open case on it then let the authorities handle it.

This report was submitted from an electronic device owned, issued, or maintained by a law enforcement agency using my user ID and password. I certify or declare under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct.

NARRATIVE (continuation)

Donna still seemed frustrated and wanted to explain the situation again. I then told her I was going to talk with my other officer and her son Jesse. I asked Jesse if there was an open CPS case, and he said yes. He said he was done with his mother telling lies and wanted her to leave his house. I asked him if his girlfriend had hit his mom, and he said no. He said they just yell at each other.

With the information we had, there did not appear to be a crime.

Case Report # 2020-00016042

NARRATIVE

Officer: R. Rutherford #130
Case number: 2019-00016042
Location: 1116 117th Drive SE.
Complaint:

On the date and time of this incident, I was a fully commissioned Police Officer in the State of Washington. I was wearing a Lake Stevens issued uniform with Police markings. I was driving a Ford SUV patrol vehicle with full emergency equipment and Police markings.

NARRATIVE:

On 08/11/2020 at about 1946 hours, Officer Kilroy and I responded to 1116 117th Drive SE for a verbal domestic incident. Upon arrival, I contacted Donna Lemmon reference her complaint that her son, Jesse Lemmon was threatening her. Lemmon stated that Jesse and she were separated, and that Jesse was upstairs. Upon arrival, Jesse was not at the home. I spoke with Donna outside due to dogs barking and being unable to hear Donna.

I asked Donna what was happening. Donna said that the house is violent with Trey having behavioral issues and he is physically abusing his 3-year-old brother Cain. I kept having to ask Donna to speak up because she was whispering. Donna was physically shaking, and I had to keep directing her focus to what we were talking about. My immediate observation was that Donna was either under the influence of something or has some mental health issues. Donna said that her son, Jesse had threatened her. I asked how he had threatened her. Donna said that Jesse said he would remove her from the house because she and Cailin don't get along.

Donna said that he and Jesse were arguing about their care of Trey and how Trey treats her and Cain. Donna did not say that Jesse made any threat of physical harm.

Trey, Cain and Cailin were not at home to contact during this incident. I advised Donna that if she had concerns that she can contact CPS and CPS could provide services for the family. Donna said that Cailin and Jesse both use drugs.

When referencing Trey picking on Cain, Donna went to Cain's room for the ruckus and Donna said that she found Trey and Cain in Cain's bedroom and both had their pants down. She did not see any physical contact and did not indicate that anything of a sexual nature was going on. I redirected Donna back to the incident involving the threat (DV) report.

While speaking with Donna, Jesse came back home. Jesse said that he saw PD driving toward his house and he returned to speak to us. I spoke with him in the driveway. I asked Jesse about the claims that Donna was making about Trey physically abusing Cain. Jesse said that Trey has behavioral issues to include ADHD, but he has not seen anything to indicate that Trey is physically or sexually abusing Cain. I asked if Trey was his biological child. Jesse said that he was his sister's child, but he adopted him due to his sister's drug use and CPS interventions.

I asked if Trey was on medication and he said he was not. I asked if Trey was in counselling and Jesse said he was not. I

asked Jesse if Cain is left unattended in the street and he said he was not. Jesse said that Trey does have significant behavioral issues.

I asked about his relationship with Donna. Jesse said that the relationship is strained and that Cailin and Donna don't get along to the point that he is considering removing her from the home. I asked where Donna might be able to go. Jesse said that she has other family and friends she could stay with.

I then asked Jesse about Donna's mental health. I asked if Jesse ever thought that Donna might be in the early stages of dementia. Jesse said that he thinks it is possible and that he believes Donna makes up lies but that she believes the lies.

I asked Jesse if he or Cailin use drugs. Jesse said that Cailin was addicted to Oxy but has been clean for some time. Jesse said that he and Cailin have used drugs in the past but don't any longer. Jesse said that Cailin had to leave the home today because she and Donna don't get along.

There was no crime at the home, Cailin was not there and both boys were with other family members.
